ASH HOLLYWOOD

KATIE SUMMERS

BUST A GROOVE

Dear FOX: You are, by far, the best jack rag around. I've tried choking my chicken to other skin rags and my cat doesn't bust nearly as hard with anything else besides FOX. I like how all of the girls in your photo sets are actually working porn stars and not just some eastern hoes from Uzbekistan or wherever. Not that I have anything against foreign pussy, please don't misunderstand me. But I like that FOX does me in on dirty videos I just gotta see. Those on-the-set things you do are inevitable for a pornhound such as myself. I keep up on things pretty

good but I have a job so I gotta work so I can't pursue pussy all day and all night, as much as I'd like to. —L.W. in NY via email

RAVIN' ASH

Dear FOX: Those thigh high black leather boots that Ash Hollywood was wearing in that photo set you ran of her a couple months back were fucking phenomenal. She looked so sexy in them I stroked myself raw that day I first set my hands on that issue. I have created a rather elaborate little fantasy in my head involving me, Ash and a couple pair of those boots that I'd like to share with you.

Or part of it anyway. I imagine that Ash shows up on my doorstep bright and early one morning right as I am headed off to work. She shoves me back into my house and locks the door and that's when I see she's wearing those boots and nothing else but an overcoat. I get turned on and she notices right away, taking off her coat then grabbing my crotch roughly. She asks if I like her boots and laughs because she can feel her answer hard in her hand without me saying a word. So she tears off my clothes and then pulls a much larger pair of those same boots out from a bag she had with her and makes me put them on.

I get even harder at the feel of the soft leather encasing my entire leg and the slight pinch on my toes. Then she makes me kneel in front of her and eat her out, and I suck her pussy to the best of my ability. Every time she comes she pulls my hair, and by the end of the afternoon there are little bald spots all over my head from where she pulled a bit too rough. I don't mind at all, her pussy tastes like butterscotch candy. —Dawn in IL

DOG WILL HUNT

Dear PORN: I miss those contests you used to run years ago where readers could send in their names and win signed pictures of popular porn stars and sometimes their panties and stuff like that. I never won anything but I always entered. I have a booklet of signed things and pictures of myself with famous women because I go to the AVN awards conference every year that my work will allow me to take the time off. That booklet is my prized possession and the

one thing I'd grab if my house ever caught fire and I had to evacuate just myself and my dog but I'd be sure to grab that photo album on my way out the door. I keep it beside my bed for easy access, in case I want to flip through it when I am being intimate with myself or in case of an emergency like the aforementioned fire. —Gwen in TN

FUCK YEAR!

Dear PORN: Fuck Yeah! That's really all I've got to say. I'd actually write a longer email but this typing is taking away from my valuable work time. —Brian in NC via email

NOT SO MUCH

Dear PORN: Have you ever considered doing a "what ever became of" section, kind of like they do in *People Magazine* for old rock and roll and TV stars? I suppose that most ex-porn hos don't want to be found after they've left the biz, but some of the bigger and more famous ones might not mind as much. I'd

love to know if they went from being fake whores to having a normal life with a husband and kids and stuff. Or if they ever did finish that degree that they were allegedly saving up for. It would be nice to know that some of these women went on to be successful after being sick-cosyful, you know? —Bri in TX

HAS HIS HANDS FULL

Dear PORN Magazine: I feel like more and more of these porn girls are keeping their tits *au naturel* or is that just me? I love natural tities in all shapes and sizes. They just feel so much nicer in my hands and mouth than those giant fake ones. Although the fake ones can be mighty nice to look at, nothing can compare to the feel of a real pair pressed tight around my dick. I love to *tit-fuck* almost as I love to *pussy-fuck*. I can kind of take or leave ass-fucking although I do like to look at photos of it while I rub one out. —Dawn in NM

TESSA
LANE

Here comes Santa Claus, all over Tessa! She's one of his most favorite fuck-happy elves, and a few years ago when she asked for an orgasm machine for XXXmas, generous ol' Santa went the eXXXtra mile and made her into one instead. She digs confident guys and dirty talk, two turn-ons so easy to find that most days she walks around with her panties wetter than the run off from the melting ice caps at the North Pole. When she even happens to wear panties, sometimes Tessa gets so hot that if she doesn't bother to stop whatever it is she's doing at the time and get herself off she starts to feel as if her box might burst. Thankfully, Santa slipped a candy cane cocked cock into her stocking to help her out on those difficult days. Tessa loves the way it feels when it's inside her. It's just what her voracious little vag always wanted.

DIRECTOR
BRANDO

SLUT AND PUPPET
CHANNEL PRESTON, KEIRAN LEE

PIXXX & ARTICLE BY JEFF HUBRIS

22

Brands is an extremely successful director whose talents were appropriated by Bravos several years ago after a decent run at Naughty America. He lives an apparent life of comfort and relative porn industry affluence, shooting movies in and around huge, nicely appointed mansions that are frequented by beautiful porn starlets who saunter in and out of swinging porn doors with ease. Nothing is ever done on the cheap and it shows. Instead of a whip-cracking hell hole of back efficiency, Brands heads up a healthy, pornography-driven encounter session where the customer's voyeuristic needs will be fully realized.

Chanel Preston is here to do an anal scene with Bravos master penetrator Keiran Lee for a movie of Brands's own creation called *Fucked Betrayal*, but first there is an actual story that must be shot that includes a lengthy fight scene between Tommy Patel and Lee.

"I'm killing off 'Tommy,'" Brands says. "This is another one of the stories that they give me where I get to pick my talent and come up with my own script. I really want to push the envelope but with that being said I want to make sure that what I shoot we're equally able to use."

Brands has already spent the balance of the day shooting the set-up for the bungling of "middle husband" Mr. Patel via a bad business deal and other classic elements of betrayal. *West A. plot!*

"She's an unhappy housewife who has an asshole husband, played by Tommy, who treats her like shit," explains Brands. "Then along comes Keiran, Tommy's business partner, who gives her the eye and there's obviously some sexual tension there. Then of course her knowing that it's never going to happen she's able to just dream about it. The dream ensues and she gets her dream guy and gets to kill off her asshole husband. I think that I can get away with more when I'm shooting a dream sequence. This is going to be kind of a violent scene."

They rehearse the fight sequence that will take place across several rooms and involves the destruction of a perfectly good abstract painting hanging on a wall outside the bedroom.

After several run-throughs, Brands rolls video. Tommy is thrown onto and breaks a collapsible table, among other things. He and Keiran beat the shit out of each other in a surprisingly believable, authentic-sounding punch-up. Tommy is killed off with an shot to the back and it's time for the post-fight bang out of his "wife." As the true crime TV show about real-life wives cutting out their significant others snuffed forever, the ladies they do get horny immediately after hubby's demise. *Post-mortem, it's always fucking time.*

The art direction episode and the fact that Brando and his production team are cruising curiously nerd-free imply an environment resembling more of, say, a sex scene production committee than an actual porn set. No pressure, no screaming, no harsh words. Things are running smoothly and there's plenty of time to knock this puppy out because Brazzers owns this whole damned shoot house. It's not the back lot at Paramount. But that's okay because a breezy mission on a hill is all you really need for porn. Here at the Brando Erotic Pissed Enlightenment Seminar and Sex Scene Committee, everything is taken care of on so many levels before you even start your porn day. Climb aboard our magic carpet of porn cerebral diarrhea man, this is one weird fucking place.

Chanel Preston is very beautiful and projects a non-inse, lady-like manner. She cleans up extremely well, performs and has a stamp and has a pleasant, non-amphetamine driven personality that scores a very high PESS (Porn Industry Sociability Scale) rating on this currently accepted and useful barometer of porn girl friendliness and enthusiasm.

"I'm excited because this is the first opportunity that I've had to shoot Chanel Preston," says Brando admiringly. "I'm able to submit a wish list of girls that I want to shoot and for some reason I've never gotten her. I've asked 4, 5 or 6 times and they never gave her to me so I just had to pick her myself and I'm looking forward to it. So far no complaints from her and we've been her since 8:30 this morning and it's almost 4:00 now and she hasn't complained once."

To prove that she's an extra good sport, Chanel even allows me to capture rare photos of the much whispered about Pre-Score Butt Plug Pressed. This all-important preparatory step encourages the pliability and compliance of the stool to be visited porn girl splatter and is usually a very, very private matter.

Brando is ready to roll video and calls all participants to the bedroom.

"I'm going to let you guys just film," he says. "The only thing I need from you is just be aware of the cameras. This camera is going to be flying all over the place. Look the ass. Make sure that I can see everything. A couple gapes would be great. Once you get started you guys know what to do. You have good chemistry. I've watched your scene before and you guys did a great job."

CRANDEL
PRESTOW: I've been working a lot but I've been in and out of town. I was in Chicago and then I was gone for weeks in Alaska, and then I went to Comicon. I've been sitting here thinking that like I've been busy every day. I'm only shooting three or four times a week. I told my agent Mark Slepker that I only want to shoot four sex scenes a week so if there's days that's okay, I'd ideally only like to be shooting maybe two a week, because it is hard on my body, you know? I enjoy it more when I'm shooting less because it wears you out. It's exhausting.

I really don't have a personal life. I moved here in April and I've just been working since I got here and have been trying to get settled. I really don't have a personal sex life either because I broke up with my guy when I moved here. I haven't even gone out and done anything like just been so busy. I'm not really interested in dating people that are in the industry so I really have to make kind of an effort to meet people outside of the industry, which I really haven't yet. Maybe when I get a little bit of down time I might make an effort to meet people outside of the industry. That's kind of my goal.

Keiran Lee inquires as to the desirable level of intimacy and extracurricular fuck-related activities.

"Animatronic shit!" Brando yells. "If things fall and break! We like things that break. It turns us on when things break because there's no regard for what's going on. All over the place! Everybody ready?"

Lee starts making out with Chanel, who has been calmly watching the proceedings from her bed. Things happen quickly. There's a pussy mouth, a 38 and a very respectable power fuck before the action switches to anal. Chanel seems the decorous, highly adaptable type, equally at home during a pleasant, polite society gathering with mom or screamingly inhaling tube steak in her office of choice in front of a video-camera.

CHANEE: Do I hate sex because I have it all the time? No, actually. When I used to come out here and work all the time it would actually make me more horny. It would actually get me rubbed up. Obviously, when I'm working a lot, yeah, I'm tired. That's kind of why I'd like to finally regain sort of a normal sex life and shoot less. I don't need to be out and about just trying different people out because I kind of do that for work. I know that it is different to have sex with someone not on a porn set. I would just like to find some regular citizens. I'm just not really that interested by anyone in porn. It's a challenge for me and I'm curious as to how this year will turn out as far as my personal life.

I use vibrators and butt plugs, or I'll just put a slide in my butt. I can actually orgasm from anal sex. That pressure really makes it go WHOOOOO!

BRANDO: Enjoy the sponge. If for some crazy reason – which is unlikely – it gets in your eye, you gotta just roll with it because you're a SyFy girl!

The hardened stereotype of the "lady on the street and a whore in bed" is perhaps a campy if one...er...bawdy concept, but in a sea of drugged out, ill-mannered teen porn-hockers, a real life example of the ultimate Madonna/Whore anomaly that defines the traditional object of desire for men of upstanding pedigree stands out. In another life, Chanel Preston would have made a great primo first lady, executing her highly visible and proper public duties in addition to a dizzy repetition of POTUS pleasing, royal bedroom performances with equal aplomb. She ends up taking a big load in the face and smiles through the stings after a brutal multi-office bang out. Brando is satisfied. She heads for the bathroom with a face full of glaze, still a good sport, wearing the facial like a new piece of jewelry. Owning it.

"I woke up Xmas morning and found that Santa had left me the most incredible present imaginable-real, live porn goddess Aria Apes asleep on my couch! At first I thought I was still dreaming but her shit was everywhere-girly crop oil over my coffee table and where clothes in little heaps all over my floor. She was sleeping pretty soundly but I had to wake her up, and when I did she said she was horny. She found a couple of dildos from amongst her stuff, got naked and started doing her thing right in front of me. She spread her legs and pulled her fat pussy lips apart. Damn, she looked so good. I watched her cum with a weenie in her cum hole and a finger in her ass. This babe sticks a finger up her butt while she gets off! Thanks, Santa. I knew you'd do me right one day."

Alexis Texas & Bill

Twas the night before Xmas and all through the house, not a creature was stirring—except for Bill, who was busy buffing his wazoo in front of the TV. The sound of him strokin' it, irritated Alecia, who decided to snuck in and surprise him with a Holiday sparkle. She snuggled up next to him on the couch and began giving the plain-colored tip of his sugar stick some lip. Bill, who happens to be a bit of a freak, was psyched that she was wearing little more than the warm woolen booties that he'd given her last Xmas. He tugged them off to lavish tons of attention on her minty toesies. Alecia twirled her pigalle the length of his pick just before Bill began to ball her. Overcom with the again, of giving, she twisted her body so he could tongue her toes at the same time his tool was inside her. He banged away till it was time to boil a nut, which he did all over her pretty pedo. Alecia loves soaking her soles in sparkle. Merry Xmas and Happy Open Year!

2006

It took a little bit longer than usual for cutie little cum dumpster Katie St. Ives to get into the XXXmas spirit on the lot this year. While all her whores pals were busy bedecking themselves in their tidiest tinsel unmentionables in anticipation of getting their jollies with that trucker old St. Dick, Katie fretted she'd be forgotten and wind up without any presents. But when she went to her cab she found a big plush bear and a glass dildo waiting, gifts from her smutty secret Santa. And toy-lover Katie was beyond delighted as she stripped bare and stuffed her mouth, getting ready to get off while snuggled deep into the arms of her fuzzy new friend. As she stuffed her mouth slyly with HOLIDAY cheer, Katie finally snapped out of her sleep and began to rejoice in the full fucktacular splendor of the XXXmas season. Then when she had a magnificent, clenching climax, she swore she heard an angel sing. Hard X

SLUT AND PUPPET
VICTORIA WHITE, TONI RIBAS

PIXXX & ARTICLE BY JEFF HUBRIS

82

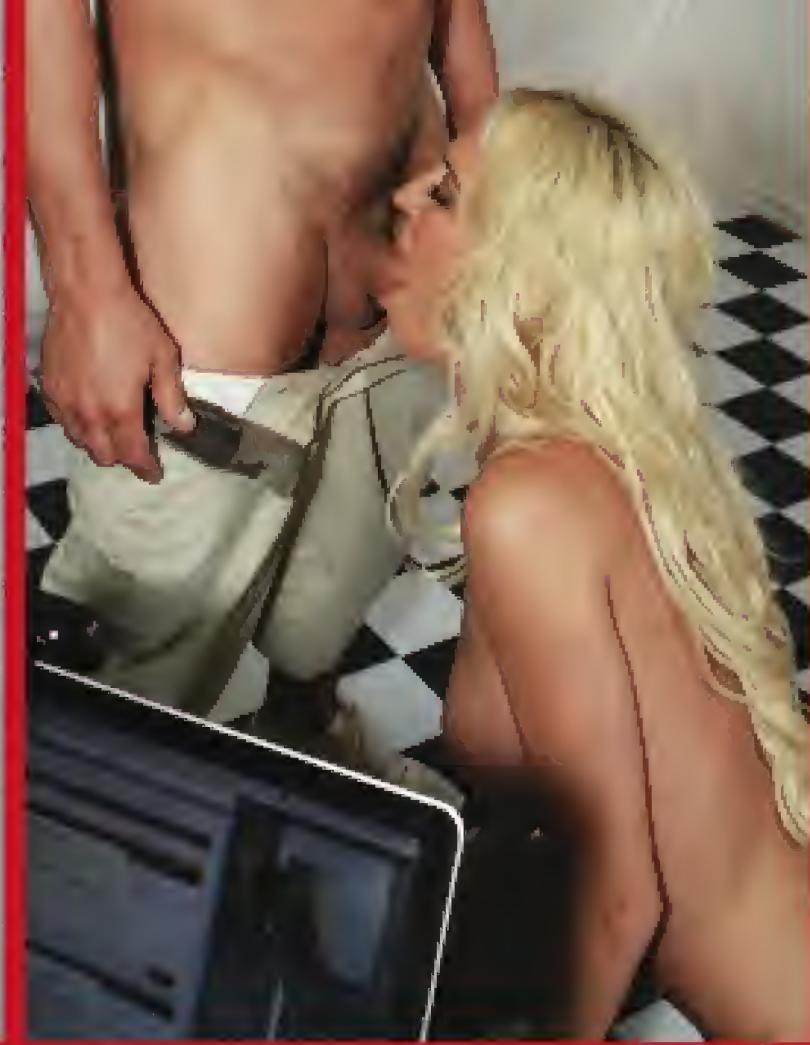

Taking cell phone shots of herself in a mirror, Victoria White and her body smile at the prospect that there is a party taking place here that could very well get better. Whatever happens next will not be boring. This is an action movie with explosions taking place every minute or so. You just can't turn it off. The danger is beautiful. You're in love. You can handle it.

She used to be a lot more laid back. Something has happened. When I first ran into her like a year or so ago she had already been doing porno for six months but one foot was still in the outside world of normalcy. The treacherous River of Steele then separates evil Barendland from The Other Side where the squares Eve had not yet been completely traversed. Now, for better or worse, that ultimate journey is complete. The glow of XXX shines from within. Victoria White has been Barendled.

PUMA heads and famous director Ivan has mentioned that her bang out with Toni Ribas will take place primarily in standing position or on a tile floor with only a chair for variety.

"You know, I was working in Vegas two days ago," Victoria says. "It was an all anal scene and he just like picked me up and was fucking me standing up and it was so cool. It's my new thing now. I love getting fucked in my ass standing up. I came so hard I squirted all over him. I even got it on the camera. Holy fucking shit."

After Ivan's photographer Steve shoots a set of posed pretty girl stills, Victoria stays naked and stops at the mirror again for these over self-portraits before heading into Ivan's office to fill out paperwork, then whips out his point-and-shoot and begins a video interview.

Steve: That's a rough performance, either it's closer or not.

Victoria: Just move me please. That's all I ask. You move up and the whole room is giving you a bubblebath.

I know, I wake up and all of my holes are filled. What? Crying? Oh my god! Where's my purse? No here very long time. Didn't tell me you? I'm like firevine. Can you put your legs behind your head? Oh, yeah!

The legs go behind the head easily. Victoria White ran cross-country in high school so the endurance and flexibility necessary for extreme porn athleticism are there. She flings the bird to the camera. Read the face. Behind the eyes are evil fun and money. This is a serious carnal life. You're fucked.

She gets into a bikini and Ivan starts another video interview that he shoots with his laptop-camera. This allows the PUPA/Victoria White followers out there on the interwebs to make a buying decision regarding the upcoming sex scene which will be broadcast live.

"It's gonna be hot," she says. "Do you guys like my bikini?"

Ivan asks her what the viewers can expect today.

"I've worked with Toni Bates before and he definitely knows how to rough a girl up which I really, really like and it's going to be all standing positions. No business, nothing like that. He might pick me up and throw me. Oh my god I just don't know what to expect! I haven't been fucked in two days so I really need some dick in my life right now."

ian fields another question: "Mr. Kash Kash wants to know when you realized you were a dirty dog?"

"Um," says Victoria. "You know, I was really, really shy before I got into the business. Like super, über shy. Probably when I was like twenty-one. I was totally a good, good, good 'I'm just going to go hide and read and stuff' type. Now I'm like *WILDDOZ*. Now I love to suck dick. It's like my favorite thing. I love it so much."

Someone else wants to know if she's going to do anal today.

"No anal today, sorry. I've been having a lot of anal sex lately. Soon to come for sure." Victoria's butt is still in the recovery room after an intense fuck two days ago.

"It's so funny," she says. "When we were talking with just now I took my pants off and I was like, 'My ass hurts so badly' because, seriously, I got pounded so fucking hard I was like prolapsing. I stuck it back in though so we're all good."

The prolapsed asshole is a great object of fetishistic desire to those who appreciate the erotic power associated with a dislodged, visible lower intestine.

Another viewer, wanting even more, writes in asking to see Victoria's asshole after this breaking-pelvis news. She spreads her butt to the camera and elaborates.

"I'm so dirty," she says. "It's okay. It always goes back in. Just a couple spasms but when cases? Fuck it! It'll grow back. FUCK IT!"

ian doesn't miss a beat until the cheekiness: "A lot of these guys really think that they can come and fuck poor chicks like troopers," he says. "We've all seen the fan-fucks."

"Oh my god, yeah," she replies. "It does seem easy. I'm not a guy or anything but I wouldn't know how you couldn't keep it up for a hot girl but some guys just can't."

"Just because you have a fast Honda doesn't mean that you can compete in NASCAR," says ian. "Exactly!" says Victoria. "Nice analogy."

Ivan announces that the gay show is about to begin. The set is a checkered floor with white walls and a chair. Victoria asks Ivan to wait and asks for a wet cleaning cloth to wipe down her soiled digits.

"I have dirty hooker feet," she fibs. "Dude, these are so hooker feet. Look there's blood and everything like I was running down the street as a hooker. I HAVE DIRTY HOOKER FEET!"

A viewer named Miley asks if he can lick them. She immediately customs her foot up to her head and starts toe sucking.

"Dude I actually like my toes being sucked on," she says, foot in mouth. "I can probably do my whole foot. All my dirty, dirty toes."

VICTORIA WHITE: Last summer was real slow but I've been starting my site and everything so I've been doing a lot of content and it's been nice to have a little bit of time off and create more ideas for what I want to do for my website. ... just the past few months I've been doing a lot of anal scenes, I think my favorite was probably two days ago with Ramon Xemar. It was hot because a lot of people say that you can't cum if you have a dick in your ass but that is so not true. Oh my god he was picking me up when he was standing fucking my ass and I came so hard I squirted all over him. ... But it depends on the girl. Some girls don't even like it in the butt but I'm a dirty, filthy slut and I love it. ... Is my ass okay? If not I'll push it back in. I spent all day yesterday pushing it back in it's so fucked. ... I've been doing anal in my personal life forever. I haven't done a boy/boy DP but I've done a girl/girl one. ... Can you just speak to me in Spanish the whole time? just like you were talking to me last time when you were calling me a dirty whore and a filthy dog?

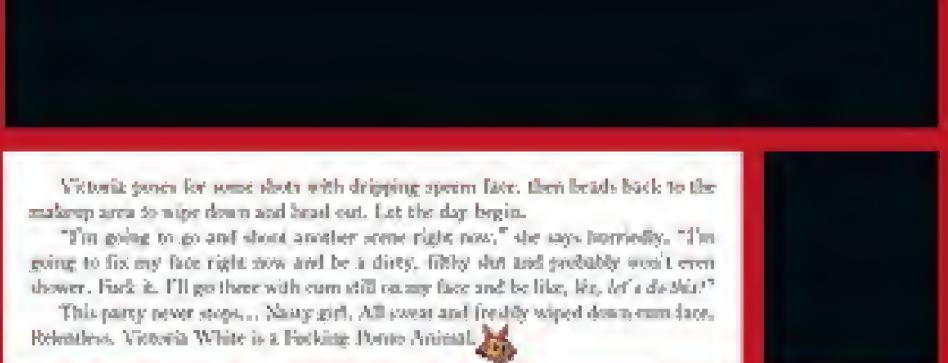

"We do Toni Riba's site too," says Ivan. "It's called hard-panceter.com. He gives us money when he goes back to Europe and then he comes here and shoots more. With Toni Riba, you have to be selective because the girls run away from him or run towards him. Girls either love him or hate him because he's a very 'energetic' performer. So Victoria called a couple days ago and said that she really wanted to shoot and Toni's been on my ass to shoot more for his site because he's touring soon. She wanted to work with him because she's worked with him before. He got in her mouth, he fucked her, he stuck his feet in her mouth. It was a crazy scene."

Riba enters erect and hard with video. Like every successful human enterprise, this one starts with a BJ and leads to harder, more complex acts of perversion. The Spaniard delivers an absolutely brutal fuck that spans chair mish, doggie and cowgirl and a mindless up-against-the-wall standing doggie. They slam to the floor for cowgirl and reverse, ending with an up-against-the-wall jerk to yop. One or two short scenes. A solid power fuck from start to finish. Like running a fucking marathon.

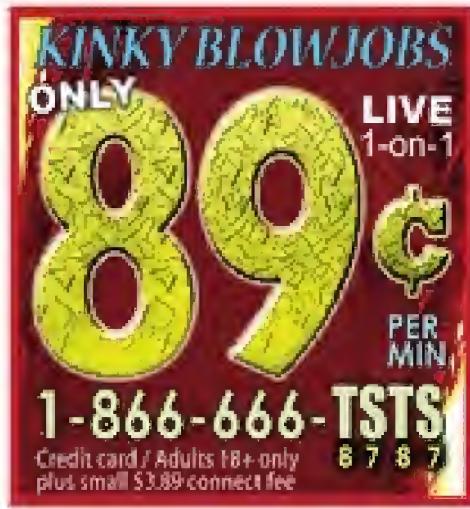

Victoria goes for some shots with dripping sperm face, then heads back to the makeup area to wipe down and head out. Let the day begin.

"I'm going to go and shoot another scene right now," she says hurriedly. "I'm going to fix my face right now and be a dirty, filthy slut and probably won't even shower. Fuck it. I'll go there with cum still on my face and be like, like, let's do this!"

This party never stops... XNaug girl. All sweat and freshly wiped down cum faces. Regardless, Victoria White is a Fucking Damn Animal.

@Kaylee Hilton

By @Gabriel_Lan

Kaylee Hilton, if you don't know that name already, write it down because you will soon enough. She is one of the hottest young up-and-coming superstars in the industry. Her beautiful face and innocent looking, braces-filled smile conceals a body built for sin, and a no-holes-barred attitude that never disappoints her growing legion of fans. Don't be fooled though, she may not look it but this is one tough chick, mature beyond her years. Kaylee's not your typical, garden variety porn whore by any stretch of the imagination. She is a whole lot smarter and more savvy than you might imagine. She has her stuff together, and her rise to the top of the adult world is just a matter of time. Her 3,000 followers at the time of this interview will likely double before the new year, as more and more of her scenes are released.

@Gabriel_Lan

Thank you so much for agreeing to this. You are easily one of my favorite people not only in the industry, but just in general.

@kayleehilton

Well thank you! Not a problem at all. I have been looking forward to this actually :)

@Gabriel_Lan

Awesome. Me too. So, tell me about this fight you got into with Goofy while you were at Disneyland. What happened?

@kayleehilton

Ha is this going in the interview? ... Ok I came in to Disneyland and we saw Goofy right away. Nobody was even by him so we walked up to him

@kayleehilton

I was going to take a pic of him with my Ipad. Then this huge crowd of people came up after us and thebastard told us to go to back of the

@kayleehilton

line when we were first. I said some words. I think I even made some up words and we about got kicked out. We didn't go up to another

@kayleehilton

single character the whole time. I was so pissed!!

@Gabriel_Lan

So you are actually a mother, correct? How does it feel to be the hottest MILF in the history of MILF?

@kayleehilton

Wowwww thank! Funny I work with a lot of ladies playing my mom and they don't even have kids yet I actually do...

@kayleehilton

But it feels good to know I'm a hot mom. I get best of both worlds I play young girl but I am really a milf

@Gabriel_Lan

There are a lot of industry girls that were teenage mothers actually. How much better would MTV's 'Teen Mom' be with porn girls?

@kayleehilton

Dude it would have been way crazier. My life makes those girls lives look boring. And now being a single mom in porn is even crazier!

@kayleehilton

Who else can say their baby sitter is a porn star, right?

@Gabriel_Lan

By my rough estimate, you've been through at least 5 cell phones this year. Why are you so rough on phones? Lol.

@kayleehilton

Actually I believe it has been 8 lol. I am super clumsy. I am always missing something up usually my phones. I think I just have so much on.

@kayleehilton

My mind that I don't pay attention, you know? Like when I drove with a phone on top of my car.

@kayleehilton

Also, I have 2 phones at all times, giving me twice the chance to mess up lol.

@Gabriel_Lan

Right you got your 1st ticket ever for texting while driving? (to honest, you haven't learned your lesson yet, have you?)

@kayleehilton

I did. My first ticket ever here in Cali. I stay off the phone as much as possible now. I am scared of more tickets lol.

@Gabriel_Lan

I believe you got more than your fair share of pat downs at the airport. I have a theory, but what do you think is the reason why?

@kayleehilton

I do strangely enough. I wear the least amount of clothing that I can just to avoid pat downs. I think it actually has the opposite effect!

@kayleehilton

Sucks cuz I'm always in a hurry and I always get someone who is particularly rough with it. I like it rough but not at 5 AM at the airport!

@Gabriel_Lan

Your job includes lots of travel. What are some things that you can't travel without?

@kayleehilton

My butt plug in case of an anal scene cuz I have a tight butt -- gotta warm up :). Also must have lots of bras and panties.

@kayleehilton

Notaries of course, but I can't fly without my ipod and a good book.

@Gabriel_Lan

Right you return from a trip and find your car had been hit while at the airport? What happened with that? Hit and run?

@kayleehilton

Hit and run at Burbank. They mashed in the side of my Mercedes that I had taken such care of before.

@kayleehilton

It happened while I was up in San Diego at Kink for a couple of shoots :).

@Gabriel_Lan

You've appeared in several bondage type fetish scenes. Do you think that 'dirty little slut punishment' helps keep you from becoming a b*tch?

@kayleehilton

Yeah, I enjoy bondage. It relieves a lot of my stress and keeps me grounded and makes me appreciate orgasms even more!

@Gabriel_Lan

You started off doing G, anal, DPs right out of the box. You have an interesting take on girls that hold out on these acts. What is it?

@kayleehilton

With all the girls competing for shoots in such a poor economy where everything is pirated before it's released it's not practical build up.

@kayleehilton

If you say no, there's a hundred girls who look like you and will do it, so make your money while you can or else you cut yourself out of

@kayleehilton

all the young girl, th, and anal stuff. People don't care like they used to. And I get a lot of credit for starting out hardcore!

@Gabriel_Lan
A quote from your Twitter: "If I wrote every thought I had on Twitter... ppl would think I was a total perv" - really, aren't you a pervert?

@kayleehilton
I am worse than a guy! I think about sex every 5 seconds. =) I am a dirty girl with tons of dirty thoughts hehe

@Gabriel_Lan
Do you have a funny code name for when you masturbate, like 'Spanking the monkey' or 'Choking the chicken'?

@kayleehilton
Haha nah... When I used to do it a lot it was just not talked about. Now its just masturbating :)

@Gabriel_Lan
What hurts worse, being hit in the face with a 5lb weight or a curved dick jammed in your ass incorrectly?

@kayleehilton
Ooh those one as both have caused me blood haha. The braces made the weight really hurt... but the dick is worse!

@kayleehilton
OMG it was agony but I still had to do a DP after that.

@Gabriel_Lan
That was a rough day. I remember you saying you cried on set. Is that the worst thing that's ever happened while shooting a scene?

@kayleehilton
It was rough but so worth it. It came out great. Nah, I consider like a couple other scenes much, much worse.

@Gabriel_Lan
I know you were wondering, did you ever figure out how many cocks you've sucked since you got your braces?

@kayleehilton
I think I've sucked probably about 400 cocks with braces on. I have to guess... I wish I had written it down lol.

@Gabriel_Lan
Any idea when you might be getting your braces off? Its kinda your niche, but you've got plenty of other "issues" too.

@kayleehilton
Yea I am pretty fond of them, but I am getting ready to get them off. I really don't have much time left.

@kayleehilton
but orthodontists always extend the time over and over lol

@Gabriel_Lan
For someone with a self described "shallow pussy", you've taken some big cocks. Is that part of why you're so adept at anal?

@kayleehilton
For sure. It is much easier for me to fit things in my butt. It's more stretchy :) I prefer small cocks in my pussy.

@kayleehilton
Length tends to make my pussy sore, and girth tears me up. I enjoy both, but anal has helped me out a lot :)

@Gabriel_Lan
You had an interesting adventure on a trip to Miami for a shoot, and had to be saved by the cops. What happened?

@kayleehilton
Haha yeah. First time in a cop car. Me and a friend were walking to a gas station at 2 AM. The cops pulled over to tell us it was dangerous

@kayleehilton
to walk as there was a serial killer or whatever. So, on the walk back a Hummer followed us and we freaked out. The cops drove over and

@kayleehilton
grabbed us. We got lucky. There was a guy walking that looked crazy scary too. I thought we should have given the cops blow jobs for saving

@kayleehilton
us but my friend thought it was a bad idea, so we didn't lol

@Gabriel_Lan
What would you like to do after you quit shooting porn?

@kayleehilton
Oh, I think I will go back to Kansas and go to college to become a nurse, but who knows? Things change from day to day

@Gabriel_Lan
Speaking of Kansas, life there is surely very different than life in L.A. How often do you get back home?

@kayleehilton
It's a different world for sure! I rarely get back. Whenever I go to look at my home, I get booked for a scene!

@kayleehilton
I'd much rather just work. My friends understand that.

@Gabriel_Lan
You've done some feature dancing before, too. Is that in the past now, or something you plan to expand upon?

@kayleehilton
Hmmm I would love that. I really enjoy dancing. It's something I think I am fairly good at doing.

@Gabriel_Lan
You've been dubbed by yours truly as "The Sexiest Woman Alive." Do you think you're sexy?

@kayleehilton
Thank! I think I can be, but sexy is an attitude thing really, so I am very capable of being sexy when needed. Thank!

@Gabriel_Lan
Since this will run in the "XXMas" issue, what do you want for Christmas this year?

@kayleehilton
I want... hm... I usually think about what I'm getting other people. I guess good sex, I guess. That's always nice!

@Gabriel_Lan
That's... weird! Both thoughts actually... Do you remember what the best Christmas gift you ever received was?

@kayleehilton
That's tough. When I was little I loved Barbies. I got a lot of those. Like I said, gift receiving isn't something that's a big thing for me.

@Gabriel_Lan
If I wrote a letter to Santa this year, do you think I'll get my wish of you bound, naked, ball gagged and butt plugged under my tree?

@kayleehilton
That's a dirty thing for me, so it's a good possibility ;)

@Gabriel_Lan
Well, if you do end up under my tree, you'll enjoy all the great food served, plus your favorite for dessert—the creampie! How's that?

@kayleehilton
I love creampie! ;)

@Gabriel_Lan
Well, I guess I should start planning all the nasty things I want to do with you then, just in case I get my wish. Merry Christmas, Kayle!

@kayleehilton
Hahaha I'm so down for that!

VICTORIA LAWSON

Some girls are just so beautiful that it's beyond nice when they're naughty. Take Victoria London, for example. Her fresh, natural, girl-next-door loveliness makes her a joy to behold. 'Tis the season to be jolly and Victoria is as eager to deck the halls as anyone but somehow she really stands out from all the other ho, ho, hos. This Michigan native learned long ago how to keep her honey self all moist and warm all winter long. When it comes to selecting a suitable pseudo stamp with which to treat her trim, Victoria forgoes anything red or green in favor of a far more festive fuckstick—she choose one that is shiny and metallic to push inside her precious puss. On Xmasmas Eve she has a special tradition of giving herself an orgasm before falling asleep naked, leaving her cookies and milkshakes out for Santa. Every year she hopes he'll climb down her chimney and snack on her honey-soaked snitch. 

A woman with long brown hair, wearing a white bikini, is standing with her arms raised. She is positioned next to a vertical wooden structure, possibly a door or a wall. The background is a light blue color. The image is part of an advertisement for a phone sex service.

A woman in a pink dress with a floral pattern, sitting on a chair and holding a cigarette, looking directly at the camera. The background is dark and out of focus.

A woman with blonde hair, wearing a black dress, is sitting on a chair, looking over her shoulder. The image is part of an adult magazine advertisement.

The image shows the front cover of a DVD titled "BEYOND BIZARRE". The cover features a black and white photograph of a man with a mustache, wearing a dark shirt, looking directly at the camera. The title "BEYOND BIZARRE" is printed in large, bold, white letters across the top. Below the title, there is a list of names: "Daddy Love", "Linda Sadekian", "Sam Nease", "Sherry East", "Teachers", "Pet", "Lori Mullings", "Marty", "12:30 PM 10/10", and "Drama City". At the bottom of the cover, it says "DVD CALIFORNIA" and "www.beyondbizarre.com".

A woman in a bikini reclining on a dark surface, looking over her shoulder. The text 'TRY ME FREE!' and a phone number are overlaid on the top left.

A large red '29¢' price tag with a woman in a bikini standing next to it.

On a sunny afternoon inside a dark San Fernando Valley soundstage at Asa Akira and Dane Cross waiting to shoot the very last scene for Jolt Degree's Official *Big Brother* Porn. Director Nino Japon has been called out of the country for other porn purposes at the last minute. In his place to direct the finale is the widely celebrated director/comedian Mike Quasir, who will be making sure that the magic is committed to video with the utmost porn...um...intelligency.

Asa Akira will be playing Julie, a parody of the host of the actual hot TV show *Big Brother*, who is hot and rich and powerful yet decidedly not a slut. She's re-made as a total fuck machine in this new, improved pornographic version and will be banging it out with Dane Cross, who plays a guy voted off by the other contestants for being extraordinarily creepy. It's a time for reflection.

"I'm the Steve Buscemi of porn," says Cross. "Forget my teeth aren't as furred up."

Asa has slipped into a conservative, black outfit. Work certainly has been picking up for her lately. The porn parody craze yearns for diversity.

"I think that there's a shortage of Asian girls right now in porn so I think that works out for me," she explains. "It's definitely worked in my favor. There's me, London Keyes and Jessica Bangkok and every movie kind of wants an Asian in it."

Quasar rolls video. Asa's "Julie" informs director Diane that he's been voted out of the house.

"So Diane, how does it feel to be the first one eliminated?" she asks.

"Actually, it feels a death blow to my self-esteem," he answers creepily.

Now that the conflict that can only be resolved by sexual activity between characters has been established, there's only one thing left to do.

"We're going to begin by taking off her panties and licking her vaginal," Quasar says to Cross. "Not too far long, because it's boring. Do it in a hardcore fashion and from here you guys can do whatever the fuck you want."

To make things easy, it's always a great idea to make a note of how the girl in question likes to get fucked and proceed accordingly.

"What do you like?" Asa asks Diane. "I like mish. We'll do one I like and one you like."

"Mish! Never. Asa comes enough to be way ahead of the curve on the porn manual satisfaction scale."

"I like mish too," Cross says.

"Okay, so we agree on that one," Asa answers methodically. "What's your other favorite? I like spoon. Mine would be mish, spoon, doggie in any order."

Diane Cross thinks for a minute and says, "Let's just start with the cum shot actually, to get it out of the way."

Levity can be either a general, non-narcotic enabler or a lubricant to permit flow. Not to be readitive, Quasar has a story.

"Back in the day we had a saying that sounded like the name of a Bavarian mountain or something," he says. "Like the order of the sex scenes would be mish, compascompa! Is that your name? No, that's what we're gonna do!"

There is a sense of friendly energy in the air. People want to knock this puppy out atop.

"Alright," Quasar says commanding. "We can be out of here in fucking twenty minutes. Let's do it."

Quasar does the initial disrobing and Diane lets Asa's mouth in a hardcore fashion. She leaves her skirt and they dive into some couch-digging. It's an impromptu bang-out that includes all of the discussed positions. Asa Akira delivers an extremely fun and authentic looking fuck. I would go so far as to say that she has some actual legitimate God-given flair in this area. You'll just have to view her "work" on your own to make a subjective evaluation, but I am sold.

ASA AKIRA: This is cool. I don't get to do a lot of parades and most parades don't call for an Asian girl. ... When I first got in the business I wasn't in a relationship so for the first year the only time I got laid was at work. Then I got in a relationship and I started having sex pretty regularly outside of work. ... I've always gone through fantasies pretty quickly I think. It's always changing. I'll be into one thing for like a month and the next month it's something else. I'm really into anal right now. I've been kind of obsessed with it and have started doing it a lot in my personal life too. When I watch porn now it's like anal porn. ... It's weird, when I cum vaginally it's like this screaming orgasm but when it's anal it's like I just held my breath the whole time or something. It's like hitting the same spot in your vagina but from the other side. It feels fucking awesome. ... I just got my driver's license not too long ago. I had to take the test six times. What they say about Asian people is 100% true! ... I'm living day to day. I want to do this until I'm sick of it, and I'm not even close. ... I like everything.

DANE COOK: I'm just happy that it's not some gross couch in some warehouse loft and 90 degrees.

MIKE QUASAR: When guys complain about the furniture or that it's hot, but they're still having sex with some really hot chick...I'm not sympathetic.

There's a break to figure out the pop preferences.

"Do you swallow?"

Quinton asks.

"If you like, yes." Anna answers simply.

This practice is becoming increasingly unpopular with the porn girl of today, so an affirmative answer without hesitation, especially from a star ringer who can afford to be fussy, is usually met with some degree of shock and awe.

Says Quinton, "When I actually think about it... it makes me want to seek treatment, but that's okay. Put her in whatever position that's comfortable to drag a load from. And then...please do."

QWASAR: You could even move to that chair if you want. You could do some kind of cowgirl there or some doggie thing. ... Never mistake Clorox wipes for baby wipes, just sayin'. ... This is good stuff. Quality pornography. Big fan. You, Asa Akira, are at least the ninth and tenth wonders of the world. Maybe not be quite as good as Stoschenga, but... Quality stuff.

The fuck re-starts in couch midlife and open-fidelity. Cross gives the high sign. Asa quickly jumps into kneeling cum receptacle position and scatches down the load. It all happens fast, like a fresh raspberry, then it's over. She's quite the bang-out artist, this one, with a discernible talent for carrying out the sexual act with deadly precision. I predict a very bright porn future ahead. She's all killer no filler. Like every time, Asa Akira really fucks you back.

ALLISON
MOORE

1000

Fxxk by Chris King

136

Rudolph ain't got nuthin' on molten hot mama Allison Moore. Her bright red mane is a beacon for lusty, well-hung young bucks. While her fiery locks may be what first grabs a guy's attention, 'tis the sight of her superbly-sculpted bod that ends up enticing that buck to rub. Even when she's all on her own without a stud to mount her, Allison's cunny never wants for some satisfaction. That's because orgasms are very dear to her. Although she may not know any reindeer games, Allison is an XXXpert at playing with herself. Her favorite Holiday pastime is putting her bunny, be it Easter, Flag Day or New Year's. She has jilled off more during her lifetime than any Jack has ever hammered, and she's especially skilled at boying her twat. Which is why she's perfectly cunny to spend this Xmas solo, making all of her wettest dreams cum true.

"I just bought Jules Jordan and Mike John's new release 'Jerk Off Material 6'.

HotMovies.com is the best site ever!!

You can buy your cookies and cream without the stress of sneaking out to the local sex shop with your hood up and your heart racing, hoping nobody sees you. No stress of sneaking it into the house, or someone finding porn hidden in your bedroom. With HotMovies.com that is all cut out and people can buy their movies in a relaxed way, in the privacy of their own home.

HotMovies.com is brilliant!!"
